NOTICE OF TRANSFER OF TELEPHONE SERVICE

Dear [Customer Name]:

We are pleased to inform you that LDMI Telecommunications is purchasing the assets of Mpower Communications in Michigan. LDMI is a world-class integrated service provider and an established regional leader in the industry.

Most importantly, you should know that – through this transition – **you** will experience no change in **your** service, pricing, terms, conditions **or** support.

ABOUT LDMI

Over 80,000 current customers know LDMI as a strategic partner, focused on providing technology and services to help make their businesses successful. They enjoy robust and reliable voice, data, connectivity, network services and e-commerce solutions - all from a single source on a single bill. LDMI looks forward to establishing the same relationship with you.

INFORMATION ABOUT THE TRANSITION

LDMI will replace Mpower as your telecommunications service provider on March 3, 2003, or as soon thereafter as the necessary governmental approvals can be obtained.

Upon your transfer to LDMI, LDMI will provide you with the same services, rates, terms, and conditions that are currently provided to you by Mpower. To the extent there are any changes to those rates, terms, or conditions, you will be notified by bill insert or bill message.

You will not be charged for the change of your provider from Mpower to LDMI (LDMI is responsible for such charges if any exist). Unless you choose a different provider by March 3, 2003, which is the expected date of your transfer from Mpower to LDMI, LDMI will automatically become your provider for all services currently provided to you by Mpower.

Please note that you will be transferred to LDMI even if you have enrolled in a program to restrict changes to your service provider. Any such program you have executed will be lifted and you will need to re-enroll to establish any future restriction service.

Again, LDMI is pleased to welcome you to its family. If you want to learn more about LDMI or have any questions about this notice or LDMI's services, you may contact LDMI's customer service center toll-free at 1-600-374-5364 or visit us on the web at www.ldmi.com.

Until the transfer of service is complete, Mpower will be responsible for handling any questions, complaints, or concerns you have about your telecommunications service. Mpower Customer Service can be reached at 1-888-777-5602.
